THE TIMES They are A CHANGIN'

The Times They Are A-Changin'

By: Bob Dylan

Come gather 'round people
Wherever you roam
And admit that the waters
Around you have grown
And accept it that soon
You'll be drenched to the bone.
If your time to you
Is worth savin'
Then you better start swimmin'
Or you'll sink like a stone
For the times they are a-changin'.

Come writers and critics
Who prophesize with your pen
And keep your eyes wide
The chance wont come again
And dont speak too soon
For the wheel's still in spin
And there's no tellin' who
That it's namin'.
For the loser now
Will be later to win
For the times they are a-changin'.

The Free Lance-Star

Come senators, congressmen
Please heed the call
Dont stand in the doorway
Dont block up the hall
For he that gets hurt
Will be who has stalled
There's a battle outside
And it is ragin'.
It'll soon shake your windows
And rattle your walls
For the times they are a-changin'.

Come mothers and fathers
Throughout the land
And dont criticize
What you can't understand
Your sons and your daughters
Are beyond your command
Your old road is
Rapidly agin'.
Please get out of the new one
If you can't lend your hand
For the times they are a-changin'.

The Free Lance-Star

Fredericksburg, VA 22401

The line it is drawn
The curse it is cast
The slow one now
Will later be fast
As the present now
Will later be past
The order is
Rapidly fadin'.
And the first one now
Will later be last
For the times they are a-changin.

Rather than to select a mundane theme pertaining to the upcoming new century, the yearbook staff voted instead to employ Bob Dylan's classic song

The Times They Are A-Changin'

as our theme. We feel that this is pertinent not only to the new millennium but also to many aspects of a high schooler's life.

Standin' in the Doorways

Standing in doorways is what most of Chancellor's students love to do the best. Students talk with their friends and their teachers in the hallways. Students have five minutes between each class to socialize with each other, get materials, and still make it to their classes. Chancellor's hallways are equipped to hold 1,200 students. This year Chancellor is overcrowded with about 1,450 students making it difficult to get to class.

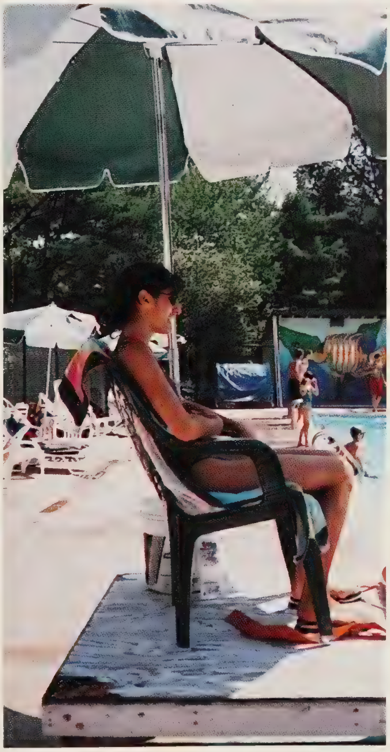
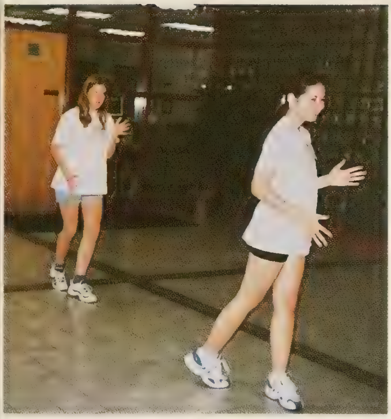
The summer of 1999 stays busy for most Chancellor students. The activities range from students on swim team who stay cool during the summer, to the football players who practice for game day, to the cheerleaders learning their routines for their season, and to the dedicated band members who work out in the hot sun. But it's not all practice and hard work. Chancellor students go on family vacations, have summer jobs and even just relax and hang out with each other.



A Change In Practice



When most students think of practices, they think after school. However, there is a change in this thought. Teams start in the heat of summer. The football team practices early in the morning or late in the afternoon to beat the heat. The dance team and the cheerleaders enjoy the air conditioning while practicing in the lobby. The band spends many long days during the summer in the parking lot. The field hockey team also spends many grueling hours outside in the heat.

The marching band sweats it out in the parking lot. Elizabeth Conaty practices twirling her flag. Jennifer Warfield and Jennifer Riker work on their moves for the dance team. Our football team works hard to prepare for the season. The Storm Front works hard also. Shelby Fredo, Tifanie Perry and Jessica Grabfelder take a break from practice. Lisa Call works on her serves for the tennis team. Ishmael Dade practices his basketball skills. The football and field hockey teams practice hard this summer.

Time is Money

Matt Harris bags groceries at Ukrop's. Lena Gallegos works hard at Old Navy sorting clothes. Lisa Call is found processing photos at Ukrop's. At Funland, Casey Atkins rings up a price for a customer. Julie Woodcock places groceries carefully into a customer's car. Sorting clothes is more like shopping than work for Theresa Ruby. Shanel Veney checks the computer at Funland. At Sweet City, Rachel Knowles hands back change to her customer. Gina Rudmann and Amy Schleigh answer phones at the Ice Park. At Funland, Gregory Smith handles the bumper boats. Brandon Setlock works the window at McDonald's. To all of these students, *Time is Money*.

To Chancellor students, *Time is Money*. The money that they earn can be used for college, a car, clothes, or other activities. So, each summer many Chancellor students can be found working at various businesses in the community. They go to work at Spotsylvania Mall, Central Park, Ukrop's, McDonalds, and many other businesses. They spend their time wisely, working dilgently and always helping the customer.

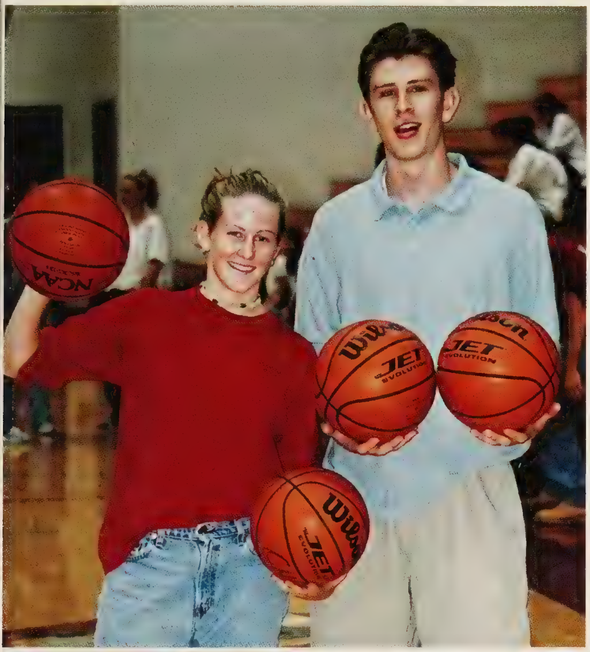
It's Time to Get Charged

The band plays for the first pep rally as students anxiously enter the gym. The field hockey team shows school spirit with painted faces and brightly colored tie-dyed shirts. To kick off the pep rally, seniors and team captains stampede through the senior sign. Daniel Almodavar, Sherard Lewis, A.J. Castro, and Jason Carter are preparing to smash the pies in the cheerleaders' faces. Mark Waller and Heather Miller get their basketballs ready for the pep rally foul-line competition. The boys pull with all their might to beat the girls in tug-of-war. Because the girls lost the battle of the sexes competition, Rosie Canizares, Arlene Rodriguez, Angela Johnson, and Shannon Baird get smashed in the face with pies. The girls pull hard to try and beat the boys in tug-of-war. Lauren Small smiles during a stunt, while Teddy McRacken shows his love for the mascot. The Charger mascot represents Chancellor's spirit during the pep rally.



It's time to charge! Every year Chancellor holds pep rallies to cheer on and support our teams. The seniors, juniors, sophomores, and freshmen all gather in the gym, one after another, to sit on the bleachers and scream and show their spirit for Chancellor, a common tradition that never ceases. The purpose of the pep rally is to get the Charger football team psyched for their games. The cheerleaders, step team, and dance team perform to show their talents. This year's pep rally theme is "Battle of the Sexes." Chancellor holds a basketball foul-line shoot out and a tug-of-war competition. The boys win the battle, so the senior football players smash pies in the senior cheerleaders' faces.

Walkin' through...

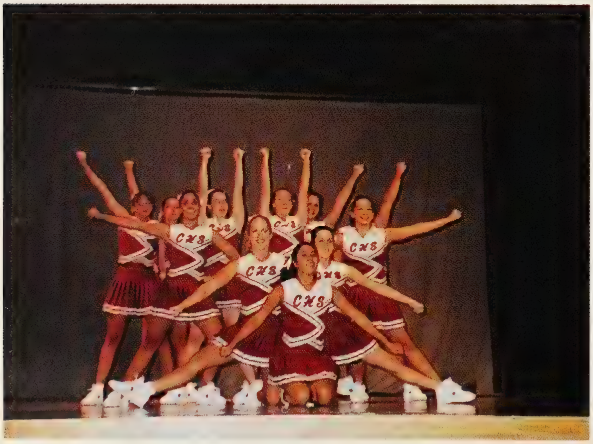
The times are changing! As we walk down the halls, we can see a lot of these changes. Many of these changes pertain to fashion. One major change is the types of shoes we wear. Most Chancellor High students want to wear the newest, most popular footwear. From back in the 80's to now in the 90's, there have been many changes with the teenagers. The most popular shoe brands in the 90's include Nike, New Balance, Saucony, Sketchers, Timberlands, Vans, Adidas, Reef, DC, Etnies, Puma, and any other tennis shoes. Let's not forget the trends: platforms, big soles, high heels, and chunky boots. Even when summer fades, a variety of sandals still seem to be popular among many students. The choices of sandals are practically endless. There are many popular places where the hottest shoes are available. Some of these places include Foot Locker, Lady Foot Locker, Finish Line, Athlete's Foot, Athletic Attic, Sports Authority, Pay Less, Pic-N-Pay, and almost any other store with shoes.

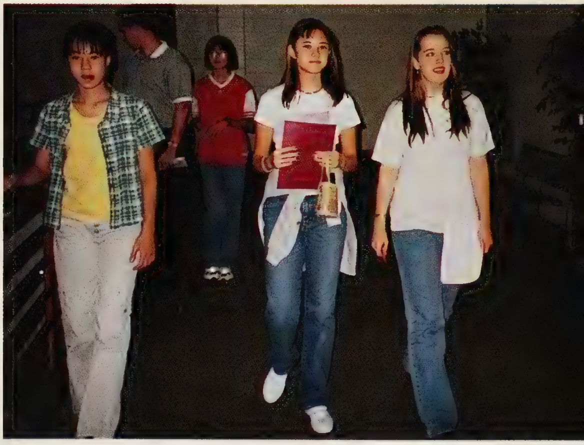
FASHION

Students step into fashion wearing their black boots. The latest fashion is recognized from old movies and fashion trends. Ruby red slippers take us back to Oz. Students sport Lugz and Timberlands. Bright red Doc Martins light up the hallway. Fire Boots blaze through the new wave fashion. Six students compare tennis shoes. Nike, Adidas, and sandals are popular. Sandals are worn with toe rings. Looking unique is everyone's goal in the fashion world.

And the present now...

This is September seventh, the first day of the 1999-2000 school year, one of the most hectic days at Chancellor. Although many people are nervous, it is still the most memorable time. Students get to see their old friends and make new ones. During the first week, different events go on like the Back-to-School dance and underclassmen pictures. Clubs and organizations start forming. The first week is a time for the teachers and the students to get to know each other, as they begin a new year and a new journey.

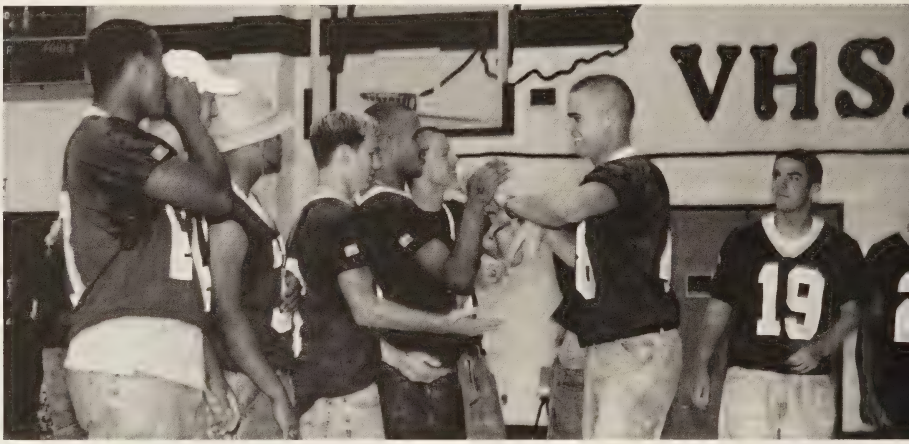




Nate Daye, Daniel Almodovar, and Paul Maas show off their muscles. Freshmen prepare for a new year . Students walk around at Freshmen Orientation. Becky Piedel, Tom Soldan, Mary Ann Rose. Will Wilkerson, and Whitney Schwisow hang out at the Back-to-School dance. AJ Castro smashes a pie into Ashley Hoskins's face. A guidance secretary helps a student. The cheerleaders smile as they finish their routine. A group of friends talk at lunch. Underclassmen wait to get their pictures taken.

Don't Block Up the Halls

Students walk out of the cafeteria. Arlene Rodriguez stretches during practice. Rosie Bruner talks to Megan Lernihan, Kassie Smith, and Matt Simpson at the senior dues table. Students sit in the lobby. Nicole Kelley goes to her locker. Richard Wells, Ben Woomer, and Kyle Nordquist wash a car for a fundraiser. Football players Daniel Almodovar, Tyler Jeffords, Mike Hamn, Justin Ridgeway, and Paul Maas get pumped up.



Many Chancellor students agree that the halls are crowded. Neil Bishop thinks the halls are crowded because there are so many people. Becky Piedel thinks that the halls are not as crowded as they have been in the past, but the school is still overpopulated. So, *Don't Block Up the Halls!*

Changin' Faces

GUESS

Every year a new class enters Chancellor. The class of 2003 has over 411 students, a lot more than last year. The halls are crowded on the first day of school. With the help of faculty and classmates, the school day is easier. This year Chancellor also welcomes 169 new students, along with new faculty.

Taren Coakley and Brittany Haney attend the Back-to-School dance. Robyn Cochran and Lena Brown help paint signs to promote school spirit. Kati Lernihan relaxes after a long day. Chris Bowers makes his way to class. Tonya Sparks and Ashley Daerr seem to enjoy school, and Nicole Kelley and Nicole Nunez are caught chatting on the benches. Chancellor would like to welcome the new faculty. A JV cheer brings the crowd into the game, and Mandy Schultz takes a breather in the lobby.

Once Upon a Time...

TSA
NATIONAL

Once upon a time, Chancellor had its homecoming. This year's homecoming theme is A Storybook Ending. The Spirit Days are Make-Your-Own-T-shirt Day, Revenge of the Nerds Day, Favorite Sports Team/ Athletics Day, and School Spirit Day. The winners of the wall contest include: Math Club for Most Original, Junior Class for Most Spirited, SADD for the theme category, Cheerleaders for Most Original, Sophomores for Best Class, and National Art Honor Society for Best Overall. The winners of the float contest include TSA for first, Senior and Junior Classes for second, and Dance Team for third.

The TSA parades their winning float. The Step Team performs at the pep rally. Students show their spirit by dressing as nerds on Revenge of the Nerds Day. The NAHS displays their winning wall. Jeff Plum, Nick Sharp, and Kacie Inman wear their winning senior hats. Lauren Small, Nikole Morrow, Missy Beaird, Ellie Mathewson, Kassie Smith, and Lizzy Baker make their own T-shirts. At the bonfire, Candice Crawford dances, while Johnny Harrington, Joey Arcidicono, Katie Lapp, Heather Brown, Bill Booth, and Kristen Hamilton tailgate. The football team charges onto the field to play Spotsy. Becky Millman and Katie Synan wear uniforms of their favorite sport. The 1999 Homecoming Court is presented at the pep rally.

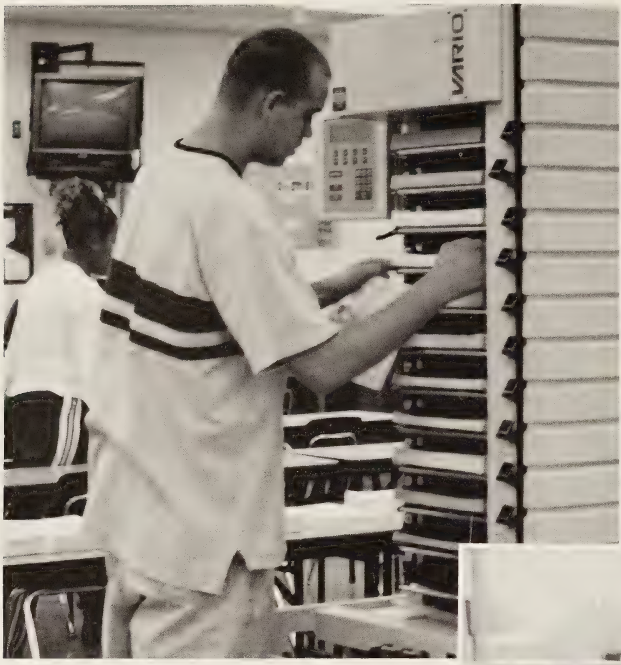
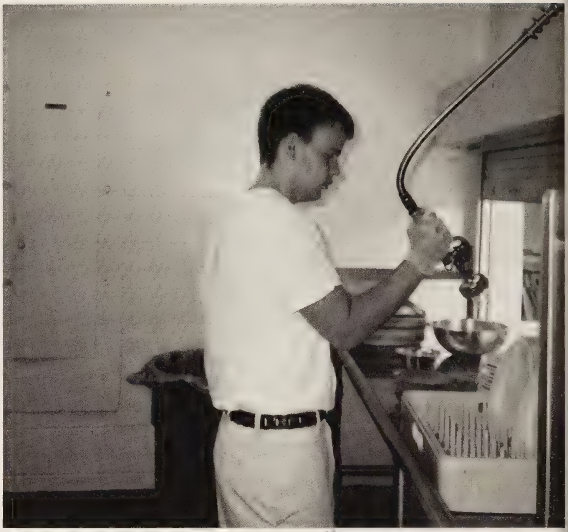
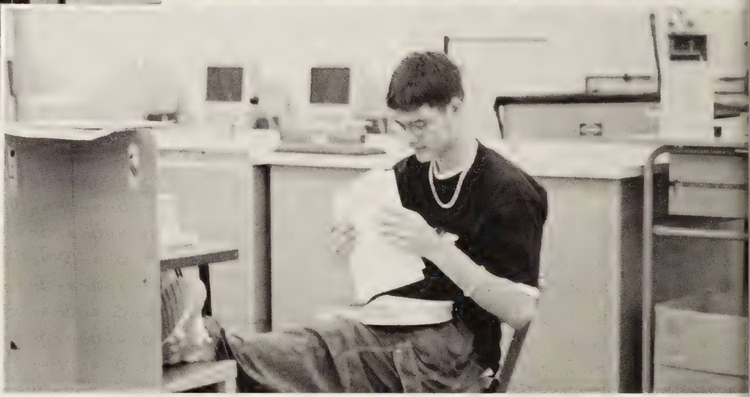
...Happily ever after

Every year around October, students prepare themselves for Homecoming. The event is sponsored by the SCA and is held in our main lobby. This year's theme was "A Storybook Ending." Our Queen, Kristen Petros, was crowned at the Homecoming game, while our King, Jason Carter, was crowned at the Homecoming dance. The court consisted of Daniel Almodovar and Tara Brickner, Shane Richardson and Stefanie Hill, Tommy Weart and Sarah Wright, Teddy McRackan and Arlene Rodriguez, Bryan Hinkle and Heather Miller, Justin Welch and Gretchen Westcott, Jonathan Fleming and Kim Cramer, Magnum Kramer and Amanda Swink, Lee Williams and Nadir Rodriguez, Mike Blackmore and Leah Quinn. During the dance, Shannon Baird, Missy Beaird, Jessica Gates, and Ashley Hoskins wait in line for their pictures. Jason Carter and Kristen Petros take the first dance. Brandi Bullock, Taryn Coakley and Jimmy Snow get ready for the next dance. Kelly O'Flinn, Meagan McKechnie, Katie Lapp and Johnny Harrington get ready to have their pictures taken. Matt McMahon and Mindy Niemann rest before the next dance.

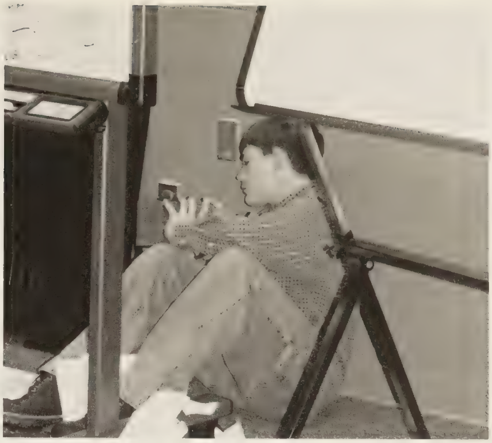
Technical Times Are Changin'







Doug Weller copies papers in Graphic Communications. In Culinary Arts, Matt Bartley washes dishes. Tambra Maxam prepares to practice with Tabitha Graninger in dental class. Sean Hinkle participates in a Governor's School activity. In Radio and Television Broadcasting, Ross Lewis concentrates on his work. Hunter Quann listens in Governor's School. It's test time in Electronic Technology for Jemmell Conway. Mike Crelia and Raymond Weller show off their building skills in Carpentry class. Shawn Renn is preparing to copy papers in Graphic Communications. In Auto Body, James Brickner inspects a car.



The biggest change in the millennium has to do with technology. New technology helps students in classes such as Electronic Technology, Radio and Television Broadcasting, and Graphic Communications. Technology plays a major role in all of these classes.

Besides technology classes, there are other classes that students may take. One class is Culinary Arts, which is a class taken by students who want to cook for a living. Carpentry, Cosmetology, Dental Careers, and Practical Nursing are also important classes at the Vocational Center.

Governor's School is also taken at the Vocational Center by students who achieve good marks in academics. Governor's School provides a more challenging study for these talented students.

Meagan McKechnie, Lauren Small and Rosie Canizares have a good time at the Back-to-School dance. Ryan Keeling and Chris Martin play chess at lunch. Ashley Hoskins, Arlene Rodriguez, Shannon Baird, Angela Johnson, and Rosie Canizares still smile after having pies smacked in their faces. Two anonymous students show off their boots. Chancellor charges onto the field at a home game. The field hockey team shows their school spirit at the pep rally. Colorguard practices their routine over the summer.

"I'd Hate to Be You on That Dreadful Day"

"Boots of Spanish Leather"

"Paths of Victory"

"The Times They Are A Changin' " is a song by Bob Dylan. This song fits with the change of the millenium. Bob Dylan also wrote other songs that pertain to life today. For example, "Blowin' in the Wind" is about the lessons that people learn and go through in life. Another song is "Bob Dylan's Dream", which expresses the songwriter's sadness towards change. This seems to be a wish of many people. Bob Dylan has written many other great songs over the years and is considered a great legend by many indeed.

What do you think of the Y2K problem?

"It is just a hoax made up by the government to send people into a spending frenzy and waste all their money on canned meat."

Mike Blackmore, 9th grade

What are your plans for Dec. 31,1999?

"What do you think? Do you think that I'm going to be knitting socks? Of course not. I'm going to do what every other teenager is doing. I'm gonna be partying!"

Amy Drake, 10th grade

If you could change one thing about Chancellor for the millenium, what would it be?

"I would change how the kids of Chancellor look at other people. People's attitudes are somewhat dreary about school spirit and have bad attitudes towards others."

Christine Prasse, 10th grade

If you could change one thing about Chancellor for the millenium, what would it be?

"I would change the indifference between all the kids. There's so much juvenile hate in this school - it's so pointless and dangerous."

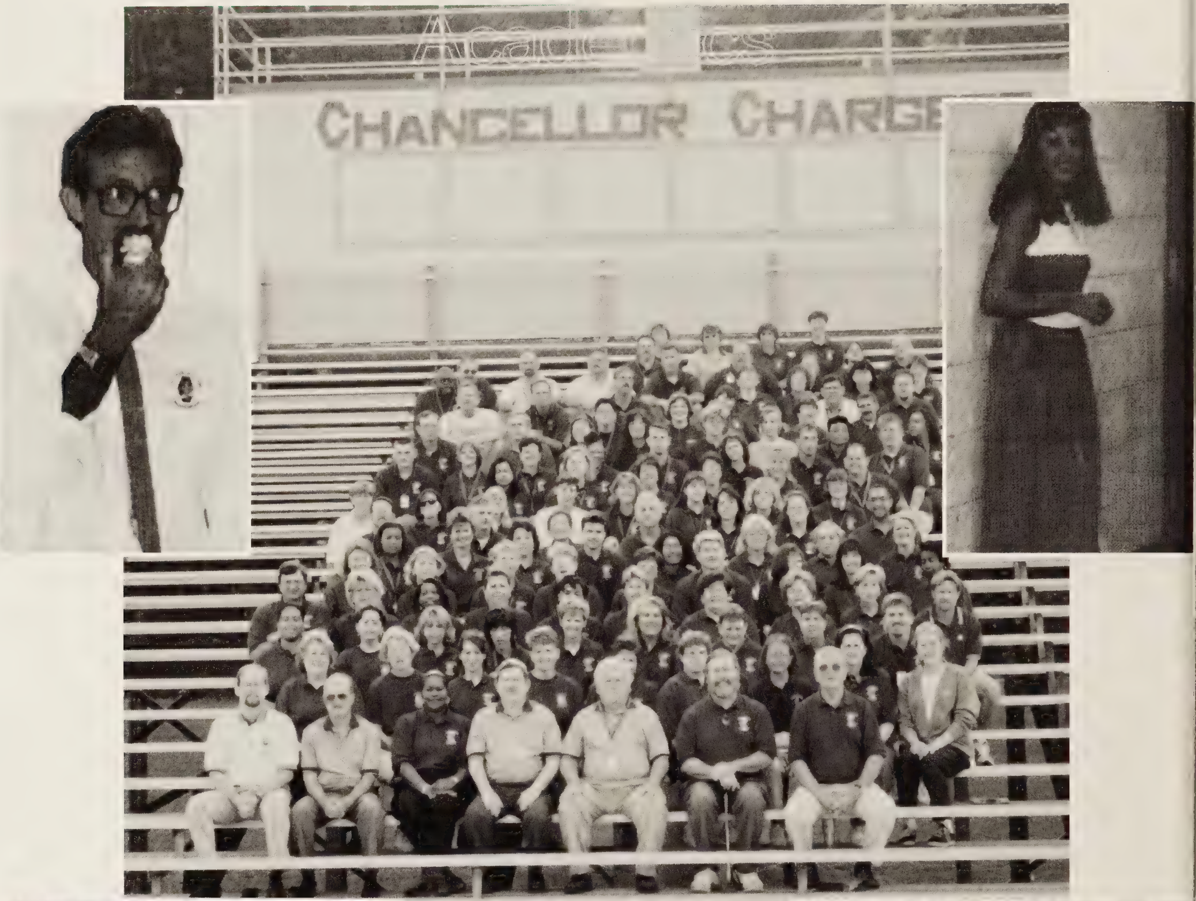
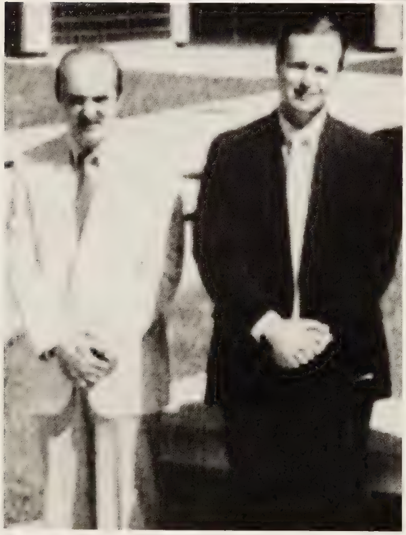
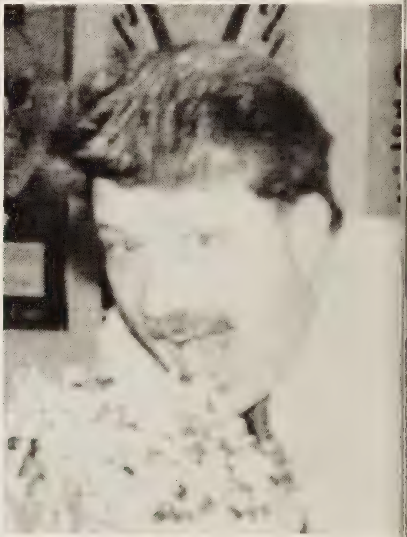
C[illegible] Writers and Critics

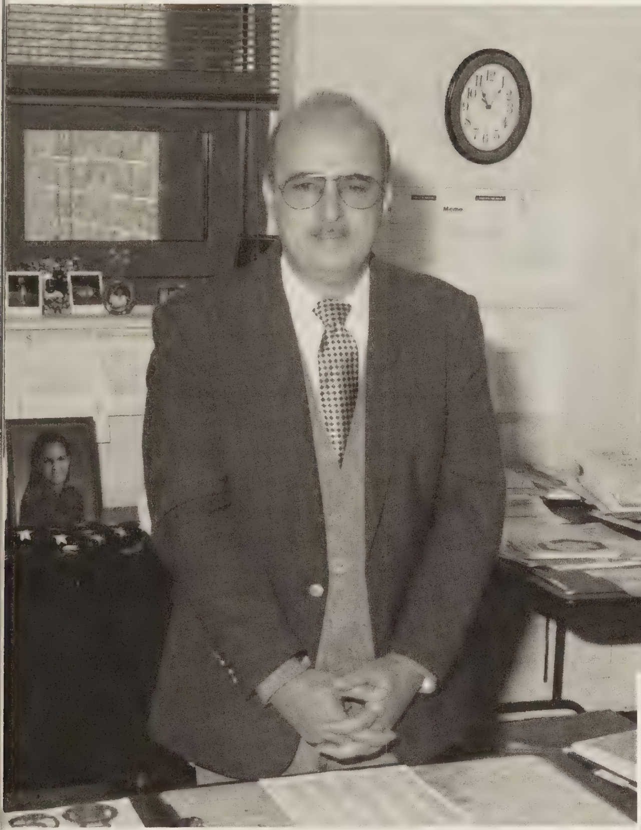




The "Original Settlers," a phrase coined by Mr. John Winston, Chancellor's first principal, are teachers and staff who have been here since the school opened in 1988. Some of them have moved on to other schools or retired, but many "Original Settlers" still remain here. Mr. Winston is now Assistant Superintendent for Personnel at the school board office. Mr. Randolph Carroll is the senior guidance counselor; Mr. Duke Stableford teaches government to seniors; Mrs. Anne Holmes teaches World Geography and US and VA History; and Mr. John Marra has been our school principal since 1995.



Mr. John R. Marra, Jr.
Principal



Message From the Principal:

As we complete our twelfth year at Chancellor High School, I would like to comment on the key positives that I have witnessed evolve at our school. Chancellor High School's greatest strength has always been the overall quality of our students. In a time when high school students are being intensely scrutinized, it is wonderful to be able to state that our key strengths continue to be our hardworking students, supportive faculty and staff, and involved parents. Thus, after twelve years, we have concurrently developed these three key components necessary to have a strong, effective, and positive school culture.

Now, with the arrival of the new millennium, I believe Chancellor High School is well prepared for the challenges of the future. My goal is that Chancellor High School continues to strive for school improvement. It has been my honor to be a school leader these past twelve years at Chancellor High School. I will always believe that our students attend one of the best schools in our state, and I wish all of you success for this school year and the future.

John Marra

There's a Battle Outside...

Many Chancellor sports teams were successful this year, especially the girls' teams. Girls' Basketball competed in Regionals. Field Hockey, Girls' Cross Country, Volleyball, and Cheerleading also competed in Regionals and did well enough to advance to States. In addition, individuals from the Gymnastics and Girls' Swimming teams participated in State competitions. Athletes have to stay long hours after school practicing for game day. Most of them also participate in other after-school events. They also have to keep their grades up to a certain average. Sherard Lewis catches the ball during the game. Jessica Broadbent uses offensive skills to take the ball from the other teams defense. Jennifer Walker keeps a steady pace during the Cross Country meet. Annie Dunn gets in position to hit the ball. Amanda Lavagnino performs her bar routine during a meet. Tamara Moore gets ready for a free throw. Kener Lipscomb holds up a lane sign for one of his teammates. Tommy Titus shows a perfect swing. Ben Woomer gets ready for his foul shot.

"Climb 'til your dreams come true."

Often your tasks will be many, and more than you think you can do ... often the road will be rugged and the hills insurmountable, too ... but always remember, the hills ahead are never as steep as they seem, and with faith in your heart start upward and climb 'til you reach your dreams, for nothing in life that is worthy, is ever too hard to achieve, if you have the courage to try it. Start out today with faith in your heart and "Climb 'til your dreams come true!"

From the first moment you were brought into this world until now, you have been a true example of what love is. Your passion to follow the Lord no matter the cost has strengthened your character, guided your steps and enriched the lives of those around you. Joe, it is our prayer as you continue on with a new chapter in your life, that you do as Jesus did in Luke 2:52 -- "*And Jesus grew in wisdom and stature, and in favor with God and man.*" We are so proud of you and love you so very much, Dad and Mom

The things that haven't been
done before
Are the tasks worthwhile today;
Are you one of the flock that follows, or
Are you one that shall lead the way?
Are you one of the timid souls that
quail
At the jeers of a doubting crew,
Or dare you, whether you win or fail,
Strike out for a goal that's new?

-Mom

Well, I'm not much for words, or writing my feelings down, but I want you to know that I am very proud of you for all of your accomplishments throughout your years in school. You have received grades that I could only have dreamed of getting. I honor you for your successes that came from your intense motivation and hard work. Good luck in college, baby sister. Love ya! Your brother, Matt

Throughout my life, I've always seen you as a wonderful example and a wonderful sister. You have taught me what it means to be a determined and respectful person, and those qualities that I see in you have always made me very proud to be your brother. I love you, and I wish the best for you in the years to come. I know you have a bright future ahead of you. God Bless you always. -Stephen

It seems like only yesterday, when you were in my arms,
My precious little baby girl, you lacked not any charms.
We played and sang and laughed and danced together as you grew,
Like falling sand inside a glass, the years, oh, how they flew.

Each passing day your life to me means more than words can say,
Inside my heart you'll always be, that's where you'll always stay.
So bless you , Kris, my ocean child, my sunshine and my love,
I'm thankful that you are the one that God sent from above.

This father's heart is filled with joy for all that you have done,
The pride I feel inside of me for who you have become.
Go out into the world today and let your light shine bright,
Forgetting not the ones who need your wisdom and your light.

Love, Dad

The theme for the 1999-2000 *Challenges* yearbook is "The Times They Are A Changin'." Since this school year bridges the 20th and 21st centuries, the *Challenges* staff chose this theme to represent the many changes that have taken place at Chancellor over the last twelve years.

This year's staff is made up of 15 students. Three seniors graduate this year: Rosie Canizares, Copy Editor; Angela Johnson, Layout Editor; and Jenny Garner. Junior class members on the staff include: Alicia Erwin; Sarah Fulton, Photography Editor; Tammy Meyers; Maggie Miller; Leipha Morgan; Laura Newman; Mindy Niemann; Paola Pena; Melissa Pieski; Kelly Quann; Crystal Sampson; and Laconia Scott. Mrs. Cheryl Nelson is serving her first year as yearbook sponsor. It has been a team effort this year to produce a yearbook that we are proud to present. We hope that you enjoy reflecting back on this school year through the *2000 Challenges* yearbook.

Jostens in Winston-Salem, NC, publishes our yearbook. Jay Hollis is our sales representative, and John Fletcher is our facility service representative, both of whom have provided invaluable assistance. This is our twelfth year with Jostens. The Challenges staff visited Winston-Salem in March to see the production of the yearbook. Our book is in a trim of 8-1/2x11 and totals 260 pages. The font used is Palatino with headlines in 24 print AG Old Face Outline. A 20-page spring supplement is also produced, mailed to graduated seniors and handed out on the first day of school. The yearbook staff took approximately 3,000 pictures, attended sporting events, class and club meetings, and assisted with class and club/organization group pictures.

The *Challenges* staff donates to several charities and helps with the After Prom party by providing pictures and gifts. All staff members worked on this year's book at least one hour a day in class, with editors spending at least two hours a day. Students worked many extra hours on teacher workdays, before and after school, during study halls and aide periods, as well as Saturdays, to meet deadlines and produce the best yearbook as possible. The *2000 Challenges* yearbook was produced completely by computer, using new techniques and refining production. Even though the hours spent were sometimes stressful, we have also had fun.
